

ORDINANCE NO. 1011

A SUMMARY OF ORDINANCE NO. 1011 ADOPTED BY THE CITY COUNCIL OF THE CITY OF ROSEMEAD, CALIFORNIA, ADOPTING THE CALIFORNIA BUILDING STANDARDS CODE 2022 AND OTHER CODES AS AMENDED AND ADOPTED BY LOS ANGELES COUNTY

On November 8, 2022, the City Council of the City of Rosemead introduced for first reading, by title only, Ordinance No. 1011, “An ordinance of the City Council of the City of Rosemead, County of Los Angeles, State of California, adopting by reference, pursuant to Government Code Section 50022.2, the 2022 California Building Standards and those codes as amended and adopted by Los Angeles County as noted including; the California Building Code (Title 26 Los Angeles County Building Code), the California Electrical Code (Title 27 Los Angeles County Electrical Code), the California Plumbing Code (Title 28 Los Angeles County Plumbing Code), the California Mechanical Code (Title 29 Los Angeles County Mechanical Code), the California Residential Code (Title 30 Los Angeles County Residential Code), the California Green Building Code (Title 31 Los Angeles County Green Building Standards Code), the California Existing Buildings Code (Title 33 Los Angeles County Existing Building Code), the California Energy Code, the California Historical Buildings Code, with certain amendments, additions, and deletions thereto”. The following is a summary of Ordinance No. 1011.

Ordinance 1011

Every three (3) years the City of Rosemead adopts the California Building Laws as amended by Los Angeles County. On July 1, 2022, the California Building Standards Commission (BSC) published revised Building Standards Codes (Title 24, Parts 1-12). State law mandates that these standards are enforced in all jurisdictions effective January 1, 2023, regardless of whether they are specifically adopted by local jurisdictions. The City of Rosemead Building Division has initiated implementation of the 2022 California Building Codes as required by State Law.

Environmental Determination

The proposed Ordinance No. 1011 is exempt from the California Environmental Quality Act pursuant to State Guidelines 15061(b)(3) as a project that has no potential for causing a significant effect on the environment.
