Help us plan for the future of our City pedestrian, bicycle and park improvements

CITY OF MONROE PARKS AND TRAILS SURVEY NOW ONLINE

The City is preparing its first pedestrian and bicycle plan as well as its five-year plan update to improve City parks. These plans make us eligible to apply for state grants and other sources of funding and also make sure we offer the kinds of parks and programs that you want and use.

The survey can be found on the City's website (monroemi.gov) or you can also snap the QR code below to take the survey on your mobile device.
