- Cooking operations that produce grease laden vapors, must be equipped with an exhaust hood and a hood fire suppression system.
- The Fire Suppression System must have a valid inspection tag. Hood fire suppression systems are required to be inspected every 6 months. The Operator must have a copy of the actual fire suppression system inspection report (not just a tag) and submit with application.
- If the truck has a deep fat fryer, the vehicle must be equipped with a “K-type” portable fire extinguisher. Other trucks must have a fire extinguisher compatible with the fire suppression system. All fire extinguishers must have a current service tag,
- Propane cylinders, piping and hoses must be in good condition and free from leaks.

Health Department: Requires a Permit from Somerset County Health Department for a Temporary Food License Application.

If you already have a Somerset County Temporary Food License, please provide us with a copy of it. If you need one the application can be found on Bedminster Township’s website under FORMS. The Temporary Food License Application and a fee of \$150 payable to Bedminster Township must accompany this form.

I hereby acknowledge that I have read this application, that the information given is correct, and that I am the owner, or duly appointed person, authorized to act in the owner’s behalf and as such hereby agree to comply with the applicable requirements of the Fire Code as best as any specific conditions imposed by the Fire Official.
