208.1 PURPOSE AND SCOPE

It is the policy of this department to administer a training program that will provide for the professional growth and continued development of its personnel. By doing so, the Department will ensure its personnel possess the knowledge and skills necessary to provide a professional level of service that meets the needs of the community.

208.2 PHILOSOPHY

The Department seeks to provide ongoing training and encourages all personnel to participate in advanced training and formal education on a continual basis. Training is provided within the confines of funding, requirements of a given assignment, staffing levels, and legal mandates. Whenever possible, the Department will use courses certified by the California Commission on Peace Officer Standards and Training (POST).

208.3 OBJECTIVES

The objectives of the Training Program are to:

- (a) Enhance the level of law enforcement service to the public
- (b) Increase the technical expertise and overall effectiveness of our personnel
- (c) Provide for continued professional development of department personnel

208.4 TRAINING PLAN

A training plan will be developed and maintained by the Training Officer. It is the responsibility of the Training Officer to maintain, review, and update the training plan on an annual basis. The plan will address the following areas:

(Agency-specific training areas)

208.5 TRAINING NEEDS ASSESSMENT

The Training Officer will conduct an annual training-needs assessment of the Police Department. The needs assessment will be reviewed by the Police Department's Staff. Upon approval of the Staff, the needs assessment will form the basis for the Training Plan for the fiscal year.

208.6 TRAINING COMMITTEE

The Training Officer shall establish a Training Committee, which will serve to assist with identifying training needs for the Department.

The Training Committee shall be comprised of at least three members, with the senior ranking member of the committee acting as the chairperson. Members should be selected based on their abilities at post-incident evaluation and at assessing related training needs. The Training Officer may remove or replace members of the committee at his/her discretion.

Training Policy

The Training Committee should review certain incidents to determine whether training would likely improve future outcomes or reduce or prevent the recurrence of the undesirable issues related to the incident. Specific incidents the Training Committee should review include, but are not limited to:

- (a) Any incident involving the death or serious injury of an employee.
- (b) Incidents involving a high risk of death, serious injury or civil liability.
- (c) Incidents identified by a supervisor as appropriate to review to identify possible training needs.

The Training Committee should convene on a regular basis as determined by the Training Officer to review the identified incidents. The committee shall determine by consensus whether a training need exists and then submit written recommendations of its findings to the Training Officer. The recommendation should not identify specific facts of any incidents, such as identities of employees involved or the date, time and location of the incident, but should focus on the type of training being recommended.

The Training Officer will consider the recommendations of the committee and determine what training should be addressed, taking into consideration the mission of the Department and available resources.

208.8 DAILY TRAINING BULLETINS

The Lexipol Daily Training Bulletins (DTBs) is a web-accessed system that provides training on the Escalon Police Department Policy Manual and other important topics. Generally, one training bulletin is available for each day of the month. However, the number of DTBs may be adjusted by the Training Officer.

Personnel assigned to participate in DTBs should only use the password and login name assigned to them by the Training Officer. Personnel should not share their password with others and should frequently change their password to protect the security of the system. After each session, employees should log off the system to prevent unauthorized access. The content of the DTBs is copyrighted material and shall not be shared with others outside of the Department.

Employees who are assigned to participate in the DTB program should complete each DTB at the beginning of their shift or as otherwise directed by their supervisor. Employees should not allow uncompleted DTBs to build up over time. Personnel may be required to complete DTBs missed during extended absences (e.g., vacation, medical leave) upon returning to duty. Although the DTB system can be accessed from any Internet active computer, employees shall only take DTBs as part of their on-duty assignment unless directed otherwise by a supervisor.

Supervisors will be responsible for monitoring the progress of personnel under their command to ensure compliance with this policy.
