CORONAVIRUS (COVID-19) UPDATE

The City has created a website (link below) with information on the City's response, legal requirements, health practices, and assistance related to coronavirus.

https://www.ci.pinole.ca.us/city_government/coronavirus

Recent developments related to coronavirus include the following.

- A new County health order requires anyone working at or visiting an essential business, such as a grocery store or gas station, to wear a face covering to help reduce the spread of COVID-19. The order, effective Wednesday, April 22, also requires public transit and government workers to wear masks when they come close to others, or where the public is likely to be present.
- The County has created a new call center to connect businesses and workers with federal, state, and local coronavirus assistance programs. The call center opened on Thursday, April 23, and will operate Monday through Friday from 8:30 am to 5 pm. The call center phone number is (833) 320-1919.
- Contra Costa Health Services opened four drive-through coronavirus testing sites. Any County resident with symptoms of COVID-19, such as fever, coughing, shortness of breath, and fatigue, can call (844) 421-0804 Monday through Friday from 8 am to 3:30 pm for a confidential screening by a health professional. Based on that screening, an appointment for one of the testing centers can then be made.
