

WHEELCHAIR BASKETBALL

Dynamic Recreation and Power-of-Play Presents:

Starting on August 11th, join us on Thursday's for a relaxed, just for fun evening of wheelchair basketball at the Christenberry Community Center. Hosted by The City of Knoxville Dynamic Recreation Program, in partnership with Power-of-Play, sessions will consist of an open gym style of wheelchair basketball over the course of 8 weeks from 6pm-8pm.

Participants do not have to be chair users, but they must simply have a lower limb disability that prevents them from full participation in traditional basketball programs. We will have multi-use sports chairs available to use on a first come, first serve basis.

If you are interested in playing or volunteering as a program mentor please contact Daniel Alexander at dalexander@knoxvilletn.gov .
