Project Description: This project will construct approximately 2,950 linear feet of new sidewalk and multi-modal path along Old Broadway from N. Broadway at Mineral Springs Avenue to the north intersection of Broadway near Starbucks.

This project provides a multimodal facility that connects Fountain City to the neighborhoods south of Sharps Ridge and separates users from the heavily traveled interchange of Broadway at I-640.

Schedule:
Bid Opening: TBD
Notice to Proceed: TBD
Contract Completion Date: TBD

Current Construction Contract Price:

Engineering Department July 2022 Status: The original construction contract was awarded at the February 23, 2021 City Council Meeting. Based on a request from TDOT, the project was redesigned at the Mineral Springs Road intersection and north of the I-640 off ramp. This project will be rebid in Summer 2022.

Project Designer: Barge Design Solutions, Inc.
Construction Contractor: TBD
