

## SHELDON FIELDS

Sheldon is a Sacramento native and Elk Grove resident for over 15 years. He's a devoted husband and father of 2 successful young men. As a firefighter, he served the community for over 24 years. Having been mentored himself as a youth, Sheldon found it imperative to pay it forward by sharing his knowledge, experience and words of wisdom with the youth of the Sacramento area. He lives a life of service having mentored for the past 35 years through the Junior Fire Setters program, LINKS mentoring program, as well as the California Youth Authority. His "big brother" personality, fervent love of music, motorcycle riding, and competitive video gaming has allowed him to connect on a multitude of levels. Recently retired, Sheldon is now devoting his time as co-founder of Dream 2 Dream (an Elk Grove Youth non-profit) guiding and supporting youth through the path of adulthood.
