

SHIRLEY LEWIS

Shirley Lewis is the owner of Visions in Motion, an adult day program in Elk Grove serving individuals with developmental disabilities such as Down syndrome and Autism by providing a nurturing environment where clients can practice their daily living skills and contribute to their community. Shirley and her husband, Keith, have played an active role in the special needs community for over 20 years. Shirley has been a CA Real Estate Broker for 18+ years and previously was the CA Assistant State Director for the National Federation of Independent Business. She acted as a lead lobbyist, helping to protect and support the growth of small businesses. Shirley has one son who has Autism and attends her day program and two daughters that attend schools in EGUSD. She has served as President and Vice-President for Jessie Baker School PTO and as a member of EGUSD's Superintendents Parent Council. Shirley has a vested interest in Elk Grove and feels the diversity and unique qualities the City offers must be protected by its residents and community leaders working together with local law enforcement. She also feels strongly that there should be a strong connection between law enforcement and those with developmental disabilities. She appreciates the opportunity to provide her input as a local business owner, special needs advocate and parent through the Chief's Advisory Board.
