

3-3 "R-2" DISTRICT (Moderate Density Residential)

3-3.1 **Intent.** The "R-2" DISTRICT is intended to accommodate residential development of moderate density. Generally private yard spaces shall be directly accessible from public rights-of-way unless they are a part of a planned development within a Home Owner's Association.

3-3.2 **Principal Permitted Uses.** The following are principal permitted uses in Section 3-3.2:

Single-family dwelling.

3-3.3 **Accessory Uses.** The following are permitted accessory uses as provided in Section 4-2.

1. Detached garage
2. Fence
3. Home occupation
4. Non-commercial garden, greenhouse or nursery
5. Solar collector
6. Sport, recreation, or outdoor cooking equipment
7. Utility Shed
8. Tennis courts, swimming pool or similar permanent facility

3-3.4 **Special Permit.** The Zoning Board of Adjustment may, by Special Permit, authorize the following special exception uses and structures in the "R-2" District, when authorized in accordance with the requirements of Section 6-3.

1. Single-family earth bermed and earth sheltered dwellings
2. Bed and breakfast home
3. Church
4. Primary and secondary schools meeting Iowa State Board of Education standards
5. Nursery school, preschool, and day care
6. Country club
7. Golf course
8. Gas pressure control stations
9. Water distribution systems
10. Fire department
11. Developer's Office
12. Erosion Control/Seeding/Storage of supplies and equipment and maintenance of equipment.

3-3.5

Planned Unit Development (PUD). The Planning and Zoning Commission may authorize the following planned unit developments in the "R-2" District, when authorized in accordance with the requirements of Section 3-13 (PUD District).

1. Single-family dwelling
2. Single-family attached residence
3. Retirement home
4. Nursing home
5. Convalescent home
6. Cemetery
7. Convent
8. Rectory

3-3.6 Bulk and Yard Requirements (See Table “B”).

R-2 Conventional Development

Minimum Open Space per dwelling unit	Minimum Lot Area	Minimum Lot Frontage	Minimum Front Yard Set Back	Minimum Side & Rear Yard Set Back	Maximum Height	Maximum Lot Coverage
2,000 square feet	10,000 square feet	80'	25'	8'	35'	30%

R-2 Cluster Development

Minimum Open Space per dwelling unit	Minimum Lot Area	Minimum Front Yard Set Back	Minimum Side & Rear Yard Set Back	Maximum Height	Maximum Lot Coverage
2,000 square feet	3 acres	20'	6'	35'	40%

3-3.7 Permitted Signs. The following signs shall be permitted in the “R-2” District as accessory uses, subject to the following regulations and those contained in Section 4-11, provided the principle use exists.

1. Ground Signs. Any sign placed upon or supported by the ground independent of any other structure.

2. Wall Signs. A sign fastened to or painted on the wall of a building or structure in such a manner that the wall becomes the supporting structure for, or forms the back ground surface of the sign and which does not project more than 12 inches from such building or structure.

3. Nameplates. Nameplates shall be permitted provided that only one nameplate may be used for each separate occupant of any premises and not more than twelve nameplates may be displayed on any building or zoning lot.

4. Bulletin Board or Directory Board. A bulletin or directory board may be maintained provided that the gross area of such bulletin or directory board shall not exceed twelve (12) square feet, and only one such sign shall be permitted for any building or premises.

5. Commemorative Signs. A commemorative sign, cornerstone, or similar architectural feature is permitted and shall be considered a part of the building or premises.

6. Temporary Signs. Temporary signs are permitted subject to the regulations of Section 4-11.

7. Special Requirements placed on signs located in the "R-2" District:

A. Total Sign Area (excluding bulletin and directory boards, nameplate, commemorative, directional and temporary signs): The gross area of signs on any premises shall not exceed 32 sq. ft., however, if more than one sign is used the gross area allowable on the premises shall be reduced by 10% for each sign in addition to the first. The gross area of signs identifying a residential development or building shall not exceed one sq. ft. for each dwelling unit contained therein, but shall in no case exceed 32 square feet.

B. Height: wall signs shall conform to the height provisions for principal buildings in this district; all others maximum height shall be four feet.

C. Content: name of the residential development within which the sign is located, or other as permitted in Section 4-11.

D. Sign Location: signs, other than temporary signs or directional signs shall conform to all yard requirements for principal buildings in this district.

E. Lighting: no direct lighting or exposed bulbs or tubing.

F. Motion: no mechanical motion or animation.
