The Applicant/Owner certifies that all information on this application is correct, and the work will be completed in accordance with the approved construction documents and PA Act 45 - Uniform Construction Code and any approved Building Code requirements adopted by the Township. The property owner and applicant assume the responsibility of locating all property lines, setbacks, easements, rights-of way, flood areas, etc. Issuance of a permit and approval of construction documents shall not be construed as authority to violate, cancel, or set aside any provision of the Codes or Ordinances of the Township. The applicant certifies that he/she understands all the applicable codes, ordinances, and regulations.

Application for a permit shall be made by the Property Owner or lessee of the building or structure, or Agent of either or by the Registered Design Professional employed in connection with the proposed work. If the Applicant is not the Property Owner the Applicant shall submit an Agent's Affidavit.

I certify that the code administrator or the code administrator's authorized representative shall have the authority to enter areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit.
