

## **Darcy McNaboe 2022 Candidate Statement**

As Mayor, I provided leadership necessary for Grand Terrace to weather recent turbulent times and I'm pleased to say the state of our city is healthy. I remain focused on the important issues facing the city while maintaining a positive attitude and promoting Grand Terrace as a great place to live, work, and raise a family.

I am pleased to say we are paving our streets; we are open five days a week to serve the public and we have development projects both underway and in the planning stage.

I continue to believe the value of this City lies in its community, its local control, and that business-friendly is also resident-friendly. I support community service and have volunteered my time alongside others who serve in our many great community organizations.

I remain focused on fiscal responsibility; we must continue to closely monitor spending and live within our means. We must continue our diligent efforts toward economic development to enhance our property and sales tax base to fund needed City services.

I represent all Grand Terrace Residents and with your help I will continue to do so. This November, Re-elect Mayor Darcy McNaboe.
