**** Fireline Tester:** Employed by a State-approved fireline contractor and is qualified to test backflow prevention assemblies on any domestic, commercial, industrial or irrigation and firelines.

*** Note:** Backflow Prevention Assembly Testers (BPAT) are required by City Ordinance to register annually City of College Station. At the time of registration, they must provide proof of BPAT certification and proof that testing equipment is in working order. This listing contains the names of those BPAT Testers that were registered with the City of College Station as of 01/01/18
