Zoning case cancellations must be submitted by the applicant or their agent in writing and delivered to the Washington Township Development Services Department a minimum of sixteen (16) calendar days prior to the case's scheduled hearing date. Failure by the applicant or their agent to make such notification of cancellation within the described terms will result in the applicant being required to pay a second filing fee to cover the administrative costs associated with the required hearing or hearings. The same rule will apply each time a hearing date is set for a Zoning Commission hearing.
