

**Be counted. Be connected.**

**Douglas County and the Douglas County School District  
Request that you please take the  
[Nevada Internet Speed Test!](#)**

***Our goal - Better internet connectivity for the entire community to do those things online that you want to do such as connecting with health care providers, remote work, streaming videos, homework, etc.***

Speed Tests will help secure grant funding to improve internet in underserved areas.

**Take the speed test at home and at work.**

Go to [www.nevadaspeedtest.org](http://www.nevadaspeedtest.org)

If you are viewing this online and **DO NOT** have internet service at home, click the link above, and then select “Enter an Address with **NO AVAILABLE SERVICE**” and enter your home address on the next page. Or fill out a paper form available at the Community and Senior Center in Gardnerville, or the Kahle Community Center in Stateline.

*The Nevada Speed Test and broadband mapping initiative are hosted by Western Nevada Development District (WNDD). Douglas County is a member of WNDD, a regional economic development planning agency. Click [here](#) for more information or contact Lisa Granahan, Douglas County Economic Vitality Manager at [lgranahan@douglasnv.us](mailto:lgranahan@douglasnv.us) or (775) 781-3775.*
