Borrowing mobile devices:

- Mobile devices are loaned for up to 21 days, with no renewals and no grace period. Devices will be considered "lost" on the day after they are due, and your account will be charged for replacement costs.
- Only two mobile devices at a time may be checked out per library card.
- Mobile devices may not be checked out less than 30 minutes before the library closes.
- If you would like assistance with a mobile device, please ask staff about scheduling a "Reserve-A-Tech" session.

Returning mobile devices:

- The mobile device must be placed in the hands of a library staff member at the front desk no less than 30 minutes before the library closes. **Do not place mobile device in the Return slot or any Book Return, and do not leave it at the front desk if the desk is unstaffed.** Please wait for library staff to issue you a return receipt, which is your proof of the date you returned the device. The mobile device will not be discharged from your account until library staff has had an opportunity to verify that the device is intact and undamaged. Keep your return receipt until the mobile device has been discharged from your library account.
- Devices must be returned in clean and undamaged condition, with all accessories included.
- Mobile devices are reset after being returned to the Library, and all user data is deleted.

Responsibility and Liability: *(please initial each)*

_____ I understand that damage or loss of the mobile device may result in my library borrowing privileges being revoked until the device has been returned or the replacement cost has been paid in full.

_____ I assume complete responsibility for the mobile device(s) and I am liable for all costs associated with damage due to neglect, abuse and/or loss, including accessories (cases, covers, chargers, etc.).
