

Attention Wilton residents:

Public Hearings for Wilton Community Power to be held January 24th for noon and 5:30PM in the Town Hall Theatre Courtroom (42 Main St.)

January 24th, Noon – Community Power Aggregation Committee Public Hearing:

The Wilton Community Power Aggregation Committee will host a Public Hearing on January 24th beginning at noon in the Wilton Town Hall Courtroom (42 Main Street), and continuing until all comments are heard to gather input on a community power program for Wilton. Informational flyers, a draft community power plan, and community survey regarding this topic are online at <https://www.wiltonnh.gov/> and available in hardcopy at town hall.

This public hearing will be live streamed at https://www.townhallstreams.com/towns/wilton_nh

To submit remote input prior or during the meeting, please e-mail questions with your name and address to wiltonta@wiltonnh.gov. Your questions or input will be read into the record and the town's committee membership or its partners may answer questions or provide background.

January 24th, 5:30PM - Select Board Public Hearing:

There will also be a formal public hearing held by the **Wilton Select Board on January 24th starting at 5:30PM** in the Wilton Town Hall Court Room (42 Main Street) to receive input on a potential community power program in Wilton. Informational flyers, a draft community power plan, and a community survey regarding this topic are online at <https://www.wiltonnh.gov/> and available in hardcopy at town hall.

This public hearing will be live streamed at https://www.townhallstreams.com/towns/wilton_nh

To submit remote input prior or during the meeting, please e-mail questions with your name and address to wiltonta@wiltonnh.gov, adminassist@wiltonnh.gov, or text Chairwoman Boissonnault at 603-554-6899 and your public comments will be read. Community Power Aggregation Committee members and representatives from the town's partners, Standard Power and Good Energy will also be in attendance.
