

CANDIDATE'S STATEMENT
Piedmont General Municipal Election, November 3, 2020

Name Conna McCarthy Age (optional) _____

As Vice-Chair of Piedmont’s Recreation Commission, and a 2019, and 2020 Civic Improvement Projects committee member, I participate in ongoing discussions dealing with Piedmont’s aging infrastructure. I am running for City Council because I have the ability and experience to lead Piedmont through planning and management of limited resources for the benefit of Piedmont now and into the future. I’ve spent 25 years volunteering to benefit both City and School projects. I have served on 2 City Commissions. I've led parcel tax campaigns. I know from first-hand experience that community conversations among all stakeholders are critical to success. Together we safeguard city services. Safety is paramount. I support highly trained and visible police officers who work to maintain public safety while protecting all persons’ civil rights. I support a highly trained fire department. I support Piedmont doing its part protecting the earth’s climate. My fiscal decisions will respect the economic investment and personal sacrifices people make to live in Piedmont. I will seek opportunities to ally with schools for mutually beneficial outcomes. Piedmont should be a place where our children want to raise their children, and where newcomers from diverse backgrounds know they are welcome and wanted.

The Piedmont City Council has by resolution limited candidate's statements to 200 words.

Pursuant to Elections Code § 13307, I state that I have prepared the above statement and request that it be printed in the voter's pamphlet and mailed to each registered voter of my district.
