

CANDIDATE'S STATEMENT
Piedmont General Municipal Election, November 8, 2022

Name _____ Jennifer Long _____ Age (optional) _____

My education and qualifications are:

I am running for City Council to serve our beautiful community and maintain its greatness as it grows and evolves. With an impending pool build, critical infrastructure repair (and or replacement) and housing development, Piedmont is poised to be a city with the future in mind. In these unprecedented times, our city needs leaders who understand the interests of our citizens to maintain its excellent schools and outstanding public services such as the police and fire department. My perspective as a current member of the council and my direct engagement with the Piedmont community allow me to get to the essence of what is needed to create and maintain a safe, inclusive, and fiscally-sound community. My experience as a current city council member, attorney and life coach provide me with a solid foundation to tackle the matters that lie ahead for Piedmont. Through my work in various community organizations and with my connections to a variety of community members from sports teams to schools, I have a deep understanding of what makes Piedmont the outstanding community we all love and how to make it evolve into a city we will continue to be proud of in the future.

The Piedmont City Council has by resolution limited candidate's statements to 200 words.

Pursuant to Elections Code § 13307, I state that I have prepared the above statement and request that it be printed in the voter's pamphlet and mailed to each registered voter of my district.
