

CANDIDATE'S STATEMENT
Piedmont General Municipal Election, November 8, 2022

Name Tom Ramsey Age (optional) 59

My education and qualifications are:

Piedmont's a great town. 25 years ago, my family moved here for the public schools, and now that our daughters graduated PHS, we stayed for the friendships, location, and services delivered by the city. I value safe neighborhoods, and I expect fiscal responsibility. Our town does have work to do. We have a pool to build as construction costs increase. We have public facilities with deferred maintenance issues. We have the difficult task of navigating the state mandates for housing density in a small town already built out and full of beautiful historic homes and civic buildings. I'm an architect, a problem solver and for over 30 years I've been building and leading diverse teams around the Bay Area. I'll leverage my professional experience and my seven years on the planning commission to continue to accommodate growth while preserving Piedmont's physical character. I've served on committees: Seismic Advisory, Design Guidelines, Measure A1 and I've worked with Piedmont's youth through Scouting's Community Service Crew for over a decade. I'm confident that when our town is fully engaged and works together, we can successfully resolve the issues in front of us; that's what makes Piedmont a great town. vote4tomramsey.com

Pursuant to Elections Code § 13307, I state that I have prepared the above statement and request that it be printed in the voter's pamphlet and mailed to each registered voter of my district.
