- No
- Yes

Does your child live in the same household or have they had close contact with someone who, within the last 10 days, has been diagnosed for COVID-19 or had a test confirming they have the virus?

- No
- Yes

Symptom Check: Symptoms need to be new or different symptoms than usual and not explained by a pre-existing diagnosis.

- Fever (100.4°F/38°C) or Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle/Body aches
- Severe Headache
- New loss of taste or smell
- Children report food "tastes bad" or "tastes funny"
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Seems sick or like they are starting to get sick

In the LAST 24 HOURS, has your child had any of the above symptoms of illness?

- No
- Yes

THANK YOU FOR COMPLETING THIS FORM

If you answered NO to all questions:

Please proceed with camp admittance/check-in

If you answered YES to any questions:

- 1) Do NOT enter program area and keep your child at home
- 2) Contact PRD to report your child's absence from camp. PRD staff will follow up with health/safety information and next steps on your child's return to programs.
