FOURTH AMENDMENT TO COWBOYS COMPLEX LEASE AGREEMENT

THIS FOURTH AMENDMENT TO COWBOYS COMPLEX LEASE AGREEMENT (this "Amendment") is entered into as of November 18, 2008, between CITY OF ARLINGTON, TEXAS, a duly incorporated home rule city of the State of Texas ("Landlord"), and COWBOYS STADIUM, L.P., a Texas limited partnership ("Tenant").

RECITALS:

A. Landlord and Tenant entered into that certain Cowboys Complex Lease Agreement dated as of September 1, 2005 (as amended to date, the "Lease"; capitalized terms used but not defined herein shall have the meanings assigned to them in the Lease).

B. 183 Land Corporation, a Texas corporation ("Landowner"), having owned certain tracts of real property more particularly described on Annex A attached hereto and made a part hereof (the "Additional Land"); and having

donated, conveyed and made a gift of fee simple title to the Additional Land to Landlord (the "Conveyance"), such Conveyance of even date.

C. Landlord and Tenant desire for the Additional Land to be used as part of and incorporated in the Cowboys Complex and further desire to amend the Lease to incorporate the Additional Land as part of the Land under and subject to the Lease, subject to and on the terms and conditions contained in this Amendment.

AGREEMENTS:

NOW, THEREFORE, for and in consideration of the foregoing premises, the mutual promises and agreements set forth herein and other good and valuable consideration, the receipt and sufficiency of which consideration is hereby acknowledged, Landlord and Tenant agree as follows:

1. Incorporation of the Additional Land. The Additional Land shall be and is hereby incorporated into and made subject to the Lease. To give effect to the foregoing:

   (a) The Lease is hereby amended to add a new Exhibit "A-5", which is in the form of Annex A attached hereto.

   (b) The definition of "Land", as set forth in Section 1.5 of the Lease, is hereby amended so as to include the tracts of land described on Exhibit "A-5".

2. Parking Improvements. Tenant agrees to develop or to cause to be developed surface parking and landscape improvements on the Additional Land generally in accordance with the site plan attached hereto as Annex B and made a part hereof and further in accordance with all applicable law (the "Parking Improvements"); and Landlord and Tenant acknowledge and agree that the Parking Improvements shall be "Related Infrastructure" as such term is used in the Lease.
3. **Off-Site Improvements.** Tenant agrees to develop or to cause to be developed such off-site improvements as are reasonably necessary, as determined by Landlord in Landlord’s reasonable discretion, to address the pedestrian flow between the Parking Improvements and the Cowboys Stadium (the “Off-Site Improvements”). Landlord and Tenant agree that such Off-Site Improvements shall include extending the existing sidewalk which runs along Randol Mill Road and adding sidewalks adjacent to the Parking Improvements, so as to complete such sidewalk to a maximum width of six feet (6’) where sufficient right-of-way exists for same to Collins Avenue, and reasonable and necessary adjustments to the intersection(s) along Collins Avenue (including, without limitation, signal timing changes and crosswalk treatment). Notwithstanding the foregoing, Tenant's obligations under this Paragraph 3 are expressly contingent upon Landlord's ability to obtain (and Landlord actually obtaining) such right-of-way as is reasonably necessary for Tenant's performance of such obligations.

4. **Tenant's Use of the Parking Improvements.** Tenant's use of the Parking Improvements shall be in accordance with Article V of the Lease; provided, however, that Tenant shall not permit automobiles to remain in the Parking Improvements overnight.

5. **Landlord’s Use of the Parking Improvements.** At times when the Parking Improvements are not being utilized by Tenant, either in connection with events taking place at the Cowboys Complex or otherwise, Landlord or its authorized designee(s) shall be permitted to utilize the Parking Improvements as follows: (i) Landlord or its authorized designee(s) shall be permitted to utilize the Parking Improvements in connection with future redevelopment that is to be located adjacent to the Additional Land; provided, however, that Tenant shall be permitted to charge a reasonable fee (at market rate as compared to parking structures of similar size and location) in connection with such use of the Parking Improvements for this purpose, such fee to be determined by Tenant, taking into account Tenant's maintenance and operation costs with respect to the Parking Improvements and the Off-Site Improvements, and (ii) Landlord or its authorized designee(s) shall be permitted to utilize the Parking Improvements as an intermodal parking facility, and Tenant shall not charge Landlord in connection with such use of the Parking Improvements for this purpose. Notwithstanding the foregoing, the use of the Parking Improvements for either of the purposes set forth above, and for any and all other purposes, shall be subject to Tenant's prior approval and shall be subject to advance scheduling acceptable to Tenant, and Landlord agrees that Tenant shall retain control of the Parking Improvements at all times.

6. **Payment by Tenant.** In connection with Tenant's lease of the Additional Land, and as the sole consideration therefor, Tenant agrees to make annual payments to Landlord (the "Payment"), which Payment shall be due and payable beginning January 1, 2010, and shall continue to be payable on each anniversary date thereafter for the duration of the Term of the Lease. The Payment due for the year 2010 shall be $26,870.19, and such amount shall be adjusted annually so that the Payment due for each subsequent year shall be determined by increasing the amount of the Payment that was due for the immediately preceding year by 5.75%. Tenant acknowledges and agrees that the Payment contemplated in this Paragraph 6 is not a "tax" under Section 3.3 of the Lease, and such amount shall not be applied as a credit against the Rentals due under the Lease.
7. **Ratification: Binding Effect: Governing Law.** Landlord and Tenant each hereby ratifies and confirms its obligations under the Lease. Except as modified hereby, the Lease shall remain in full effect and this Amendment shall be binding upon Landlord and Tenant and their respective successors and assigns. If any inconsistency exists or arises between the terms of the Lease and the terms of this Amendment, however, the terms of this Amendment shall prevail (it being hereby acknowledged and agreed that the obligations set forth in this Amendment with regard to the Additional Land are unique and specifically applicable only to such Additional Land and not to any other Land covered by and/or the subject of the Lease). This Amendment shall be governed by the laws of the State of Texas.

8. **Counterparts.** This Amendment may be executed in multiple counterparts, each of which shall constitute an original, but all of which shall constitute one document.
