*Amy Young Barrier
Removal Program*

What is the Amy Young Barrier Removal Program?

The Amy Young Barrier Removal Program (Program) provides one-time grants up to \$20,000 to people with disabilities. The Program provides modifications that increase accessibility, eliminate life-threatening hazards, and correct unsafe conditions.

Examples of eligible alterations:

- Installation of access ramps
- Installation of safety rails and grab bars
- Widening of door openings and adaption of door handles
- Installation of walk-in or roll-in showers
- Installation of non-skid flooring
- Installation of bathroom accessibility fixtures
- Lower light switches
- Install doorbells and smoke detectors specifically designed for the hearing impaired
