GREETINGS FROM THE CHAIR

Our dedicated Commissioners are working diligently to preserve our city’s historic landmarks and educate our citizens about their significance.

Our program encourages green building to reuse existing structures as opposed to new construction in our older historic neighborhoods and links this history as a “place that matters.”

We are educating the citizens to show the value of historic preservation moving forward with our growing community defining not only what we create but also what we refuse to destroy for future generations to appreciate and share with a sense of community pride.

Kristina Rumans, Chair
LANDMARK PRESERVATION COMMISSION

LOCAL MARKER PROGRAM

The Arlington Landmark Preservation Commission developed a process in 2009 for the designation of Arlington historic landmarks and the creation of the Local Marker Program. When the program started in September 2009, the focus was on high priority historic resources within the original town boundaries. The program has since been expanded to include sites throughout Arlington and currently includes forty-one local landmarks.

In 2021, 14 landmarks were recommended by the Landmark Preservation Commission and approved by City Council.

APPROVED LOCAL MARKERS IN 2021

Bridges Home - 211 E. North Street
