Arlington Permits.Com Improvements

• Have you used the Arlington Permits.Com website?
• Is it user friendly?
  • If not, what issues have you had with the update?
• What improvements do you suggest?

https://ap.arlingtontx.gov/arlingtonpermits/#/home
Electronic Plan Review (EPR)

• How is this working for YOU?

https://ap.arlingtontx.gov/arlingtonpermits/#/home
Third-Party Organization - Fire (TPO)

- Effective September 16, 2019, all Fire Permits for structures 3,000 square feet and larger and underground systems will need to be reviewed by an approved TPO.

- All types of fire permits
  - Sprinklers
  - Alarms
  - Special Extinguishing Systems
  - Special Locking Systems
  - https://www.arlingtontx.gov/city_hall/departments/planning_development_services/permitting_and_inspections/third_party_plan_review_inspections
Fire Prevention

• Training

• Inspections
  • The Arlington Fire Department will perform all fire inspections as per standard procedures.
  • The approved plans must be on-site for all inspections. Please note that the Fire Inspector may require additional work beyond that shown on the plans based on the site inspection and field conditions.
  • Any changes made to the approved plans must go back to the TPO for review and then be submitted to the City of Arlington
