1. We will be closing the left hand south bound lane as well as the Left hand North bound lane and the center turn lane in order to excavate and replace a 16" water valve that lays roughly in the turn lane and inside north bound lane of Bowen Road. We will begin excavation around 9:30 A.m. and work through until job is complete and we have a contractor set to pour back the concrete as soon as Possible Wednesday in order to get the road back open as quickly as we can.
