

2019 Pet Calendar Adoptions & Rescues Photo Contest

Arlington's Animal Services photo contest is a fun way to help protect animals in the community and maintain our mission of finding warm loving homes for homeless pets. This year, the contest will celebrate the shelter's upcoming 10th year anniversary, by showcasing pets that have either been adopted or rescued from Arlington Animal Services.

Enter with your adoption or rescue story along with your pet's picture(s), living its best life, working, and/or playing.

This contest helps the shelter in three ways:

- 1) *You are able to donate each time a photo is submitted for the contest (\$1 donation per image upload);*
- 2) *Each time someone votes on their favorite pet picture, the shelter will receive a \$1 donation to go toward educational opportunities; and*
- 3) *Donate to get your new 2019 calendar once they are ready.*
