ABSENT:

The meeting was called to order by the Chair at 10:40 A.M. Ralph Orzo made the invocation.

The minutes of the Electoral Board meeting on June 24, 2020 having been reviewed by the Board were approved and signed.

Registrar and Board discussed the updated Voting Systems Security Program. Discussion centered on needed changes with our security program. The registrar noted that we follow all procedures as we should, but he could improve documenting the steps we take. A motion was made by the Secretary to approve the plan, it was seconded by the Vice Chair, and unanimously approved.

Registrar and Board began a discussion of the new laws taking effect on July 1. Of the 50 laws, discussion centered on those that involved registration, voter ID laws, polling place changes and absentee voting. Discussion was postponed until we receive the legislative review during state training so we will have a better understanding of how the new laws will work.

Board adjourned the meeting at 11:20 a. m. after unanimously agreeing to meet again at 10:30, August 6th, 2020.
