The meeting was called to order by the Chair at 10:42 A.M. A moment of silence was observed.

The minutes of the Electoral Board meeting on June 9, 2021, having been reviewed by the Board were approved and signed.

Board and registrar discussed ELECT's annual training held on June 29<sup>th</sup>. Board and registrar discussed many of the items presented in the legislative review sessions. On the subject of towns moving elections to November and needing a waiver to avoid being a split district, registrar showed ELECT guidance that stated we would not need waivers, even though the training said we would. Board also discussed the absentee legislation that makes permanent most of the changes made for the 2020 November General and Special. Overall there was an opinion that this year's training was sub-par and lacking in substance.

Board adjourned the meeting after unanimously agreeing to meet again at 10:30, August 5, 2021.
