Per Pullman City Code, Chapter 11.32, it is unlawful for any person or persons to hold any public meeting or public event upon any street or alley, or an event that will obstruct any sidewalk, without first obtaining a permit to do so. Any person, company, or organization wishing to use a portion of a street, sidewalk, alley, or public place for a public meeting or event shall apply in writing prior to the planned use to the Chief of Police for permission. Upon review of the application, the Chief of Police may grant a permit for use of the street, sidewalk, alley, or public place if it is found that doing so will not unduly obstruct either automobile or pedestrian traffic or endanger the safety of the public. A written permit or denial will be issued to the applicant(s), and any approved permits will be made available to the public. Violation of this chapter of City Code can result in a civil infraction and a $500 fine.
