

Sidewalks 2022

Proposed Project Schedule:

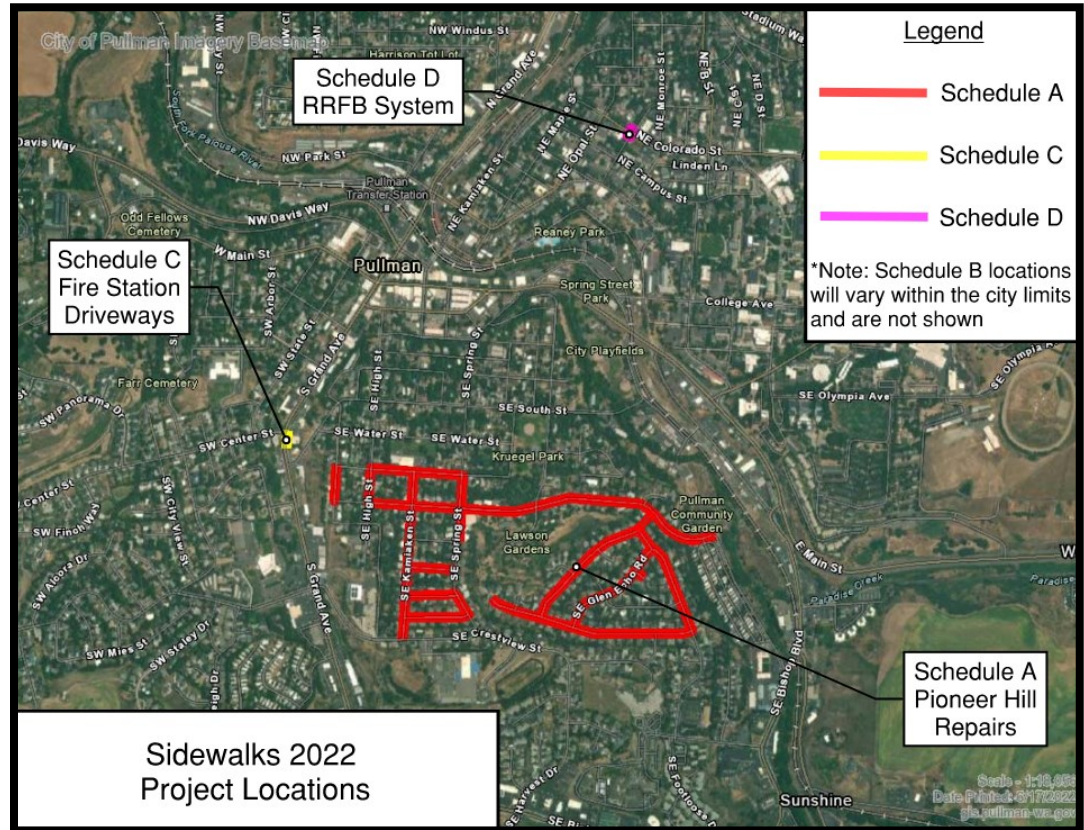

08/04/22 - 10/28/22

Project Description:

This project consists of the following:

- Schedule A - concrete sidewalk repairs targeting the south section of Pioneer Hill (between Crestview Street and Dexter Street).
- Schedule B - miscellaneous concrete sidewalk repairs elsewhere within the Pullman city limits.
- Schedule C - repair of the two concrete driveway entrances to Fire Station 1 on S. Grand Avenue.
- Schedule D - installation of a rectangular rapid flashing beacon (RRFB) system at the intersection of Colorado Street and Ruby Street.

Sidewalk repairs include discrete panel replacements and grinding of raised panel edges. The City of Pullman will be working with Knox Concrete LLC to complete this project.

Travel Impacts:

- Project streets will remain open to traffic during the project duration.
- Drivers should proceed cautiously in work areas and expect occasional delays during active construction.
- Expect occasional sidewalk closures and associated signage.
