

# Terre View Roundabout at N. Fairway

## Proposed Upcoming Schedule:

05/09/22 - 08/19/22      Terre View Drive / N. Fairway Drive

## Project Description:

Contract No. 21-09 consists of construction of a single lane roundabout at the Terre View Drive / N. Fairway Drive intersection. The roundabout is designed to slow traffic through the intersection, eliminate left hand turns and improve pedestrian routes for increased safety. Along with the added roundabout stormwater and water utilities will be upgraded.

## Current Travel Impacts:

- The current phase of the project will have Terre View Dr. traffic splitting to the North & South side of the roundabout during non-working hours and one-way flagger controlled delays during working hours.
- The current phase of the project will also have N. Fairway Dr. closed from Nez Perce Rd. to Terre View Dr. and Northwood Dr. closed from Terre View Dr. to the entrance to Northwood Manor Apartments.

## Updated Project Status:

- Utility improvements are currently 100% complete, Roundabout concrete channelization features are 90% complete and work has started on final landscaping. Travel Impacts will be from May 9<sup>th</sup> to August 19, 2022.
