Meet at the beach on the west side of Lake Andrea (unless otherwise noted), in Prairie Springs Park, Pleasant Prairie, WI. We enter the water at the times listed. Please arrive 15 minutes early to check-in and receive the pre-swim briefing.
Swimmers must enter as a group, late arrivals will NOT be allowed to start the swim. The primary training swim course will be a 1/3 Mile triangle, starting roughly 30 meters from the beach. Swimmers will be allowed to complete as many loops as they would like during the hour without interruption, or stop on the beach for tips/rest as many times as needed. We will alternate clockwise and counterclockwise courses to work sighting and turns.
Important: Schedule is subject to change. Please confirm swim date on the calendar at recplexonline.com.
In case of bad weather, confirm beach/lake is open on the calendar at recplexonline.com.
