RE: Inaccurate Absentee Ballot Count

We, the City of Seaford Board of Elections, would like to express our sincerest apologies for the incorrect absentee ballot count announced and posted on the Certificate of Election on April 16, 2022. The votes for each candidate on absentee ballots were counted as 2 individual votes in the overall total. This made the total number of absentee votes higher and inaccurate, therefore making the total vote count inaccurate as well.

Although this mistake did not impact the outcome of the election, we convened as the Board on Monday, April 25, 2022, to discuss and correct the totals, as reflected in the amended Certificate of Election issued immediately following the meeting. Again, we apologize for this clerical error and please know we hold our position as members of the Board in the highest of regards.

Sincerely,
City of Seaford Board of Elections

H. William Mulvaney

George F. Stewart
