

Pedestrian Safety

A Shared Responsibility

Did You Know?

Driver Safety

- Watch for pedestrians at all times
- As you approach pedestrians, slow down and anticipate they may walk in front of you
- **Stay off your phone!** Distracted driving is a major cause of pedestrian crashes
- Watch for school zones
- Pay attention to crosswalks or other natural areas pedestrians may try to cross

Pedestrian Safety

- Wear bright clothing
- **Put your cell phone and headphones away!** You cannot hear cars approaching with headphones on
- Wear a reflective safety vest or carry a flashlight when it is dark
- Put reflective tape on your dog's leash
- Stay on sidewalks and use marked crosswalks
- Walk in well-lit areas
- Don't assume cars can see you. Wait for a pause in traffic to safely cross
