City of Des Moines Community,

On behalf of the police officers from the City of Des Moines I would like thank our City Manager and our City Council for their continuous support of our police department.

Over the past few years we have experienced a level of support that has not been seen in the history of our department. Our officers have received the staffing levels and equipment to provide a professional service to our community.

As an organization, we sincerely appreciate that our city has stabilized its financial situation through outstanding community development and decision making by the City Manager and City Council. We have experienced tough financial times in the past, at times leading to staff reductions. We sincerely appreciate a solid city financial status that reduces stress on our officers and provides us with a positive working environment.

It is our goal to provide our community with the best and most professional police services in our region. It is with the great support of our City Manager and Council that we can successfully carry out this mission.

Thank you. It is an honor to represent the outstanding police officers of our community and to provide you with the best service possible. We look forward to our continued partnership.

Justin Cripe  
Master Police Officer  
Des Moines Police Guild, President

Isaac Helgren  
Master Police Officer  
Des Moines Police Guild, Vice President
