GETTING TO ENGINEERING DOCUMENTS ONLINE

www.auroragov.org

PICK PROPERTY INFO

PICK “My Property” FOR A DROPDOWN OF VARIOUS TYPES OF PROPERTY RECORDS
TO FIND DOCUMENTS RELATED TO ADDRESSES OR AREA (QUARTER SECTIONS, ETC.) UNDER “County Info:”

PICK “Plat Page/Quarter Section map” LINK

MAKE SURE YOUR LAYERS LIST IS CHECKED FOR WHAT YOU ARE LOOKING FOR. IF YOU INTEND TO LOOK FOR DOCUMENTS FOR AN ADDRESS, “Address Points - Doc Link” SHOULD BE CHECKED. IF YOU ARE LOOKING FOR DOCUMENTS IN A GENERAL AREA, LIKE A QUARTER SECTION, “Quarter Sections - Doc Link” SHOULD BE CHECKED. BY CHECKING THESE BOXES, YOU CAN EVEN ZOOM INTO THE AREA YOU ARE INTERESTED IN, AND JUST PICK ON THE MAP AND HAVE A LISTING OF RELATED DOCUMENTS. NO IDENTIFIERS NEEDED.
BY TYPING IN THE QUARTER SECTION, THE SYSTEM WILL ZOOM INTO THE AREA YOU ARE LOOKING FOR. IF YOU DON'T HAVE A QUARTER SECTION NUMBER, JUST ZOOM WITH YOUR CURSOR.

TAKE YOUR CURSOR AND PICK IN THE AREA WHERE YOU WOULD LIKE TO SEE DOCUMENTS. A POPUP OF THE QUARTER SECTION WILL TAKE YOU TO THE NEXT STEP BY PICKING THE ARROW. PICK “More Info”.
THIS WILL TAKE YOU TO ALL DOCUMENTS THAT ARE CURRENTLY AVAILABLE THROUGH THE ONLINE SYSTEM.

This list can be substantial. To narrow down your search, you can pick from the dropdown “Category” list. For this example I want to look at all civil plans for the area around Quincy Reservoir.

By picking “View” on the right side of the screen, you can see the complete civil plans in an Adobe PDF format.
THAT’S PRETTY MUCH IT. FOR ADDITIONAL INFORMATION PLEASE CALL TECH SERVICES AT 303-739-7335.
