Parker Road/Quincy Avenue/Smoky Hill Road
Intersection Improvement Study

No sidewalk along west side of Parker Road

Pedestrians and bicyclists use east sidewalk, which narrows near Atchison Way

Mid-block crossings of Parker Road

High pedestrian activity/access to commercial center

Pedestrians and cyclists use sidewalk along Quincy Avenue

Attached sidewalk uncomfortable for pedestrians

Long crossings at intersection and potential for conflict with high volume turning traffic.

Long distance between signalized crossings

Cherry Creek State Park

Cherry Creek State Park

No sidewalk along west side of Parker Road

Pedestrians and bicyclists use east sidewalk, which narrows near Atchison Way
