## **CITY OF AURORA GOLF COURSES SCHEDULED CLOSURE POLICIES**

Prolonged drought conditions, combined with continued increased demand, is a difficult combination on dormant turf that can't recover this time of year. Cart traffic does the most damage. Every action we take now gives us a better chance at offering high quality conditions for the coming season. **Beginning December 5,** we will modify our current policies to slow the volume of play on our courses. The new measures call for moving the first tee time back to 10 a.m. and closing each course one day a week (Mon.–Thu.) to allow staff to do extra watering. The closure schedule will rotate to avoid the same course being closed the same day every week. Tee times will be available 10 a.m.–2:50 p.m. (2:30 p.m. Saddle Rock), with walking twilight rates available starting at 3 p.m. The schedule below gives you an idea of how the course closures will rotate. This will continue until further notice. Plans are subject to change based on course conditions. We appreciate your understanding as we take the necessary steps aimed at offering you the best possible playing conditions.

Week 1

- Mon: Saddle Rock closed
- Tue: Meadow Hills closed
- Wed: Aurora Hills closed
- Thu: Springhill closed

Week 2

- Mon: Aurora Hills closed
- Tue: Springhill closed
- Wed: Saddle Rock closed
- Thu: Meadow Hills closed

Week 3

(Same as week 1)

Week 4

(Same as week 2)

Murphy Creek will close Dec. 19 (weather dependent) and remain closed through the end of February. Between now and their closure, they will remain cart path only and on Tuesdays, the first tee time will be at 12 p.m. and all play will start on hole #10.

Saddle Rock continues with cart path only restrictions.
