AURORA DANCE ARTS BALLET & POINTE STYLE & LEVEL DESCRIPTIONS:

PARENT/TOT - This class is intended for 2-3-year-olds & includes an energetic introduction to dance & creative movement. Emphasis is on the joy of dance with parents as active participants moving with their children.

CREATIVE DANCE & STORIES – This class is intended 3-4-year-old learning & includes an introduction to creative movement & stories about dance. Students will work on socialization, coordination, spatial awareness, reinforcement of preschool concepts such as shapes, numbers & colors & get also get to experience a new story about dance in each class.

TIPPY TOES - This class is intended for 3-year-old learning & includes an energetic introduction to dance & creative movement. Emphasis on spatial awareness & motor skill development while having lots of whirling & twirling fun!

PRE BALLET - This class is for dancers, ages 4-6, and includes an introduction to basic ballet steps & terminology. Students will also explore musicality with dance rhythms & creative movement, more fully develop fine motor skills & spatial awareness & have fun!

BEG BALLET - This class is intended for dancers, ages 7-10. Class content includes an introduction of basic ballet positions & technique & terminology, including barre work, combinations in the center & across the floor. This is the first level in the program where class is fully structured with ballet content only.

TEEN BEG BALLET - This class is intended for dancers, ages 11-18, who would like to explore their interest in ballet. Class content includes an introduction of basic ballet positions & technique & terminology, such as: barre work, combinations in the center & combinations across the floor. This class is great for teens who have always wanted to try ballet but are just starting their dance journey.

BALLET I - This class is intended for dancers, ages 9-13, who were enrolled in Ballet I in 2021-2022. Class content is a continuation to a more structured ballet class, with focus on more complex, intermediate technique & terminology, including barre work, combinations in the center & across the floor.

BALLET II - This class is intended for dancers, ages 10-16, who were enrolled in Ballet II in 2021-2022. Developmental level of instruction, more in-depth study of technique & terminology & more challenging barre work, combinations in the center & across the floor.

BALLET II/III - This class is intended for dancers, ages 10-16, who were enrolled in Ballet II/III in 2021-2022. Transitional level of instruction for dancers developing their skills in preparation for the more advanced Ballet III class. Includes challenging combinations at the barre, in the center & across the floor.

BEG POINTE – This class is available paired with Ballet II/III only, and dancers must have a minimum of 6 months to 1 year in Pre Pointe & already have been approved for their pointe shoes. This class is designed for dancers who are just beginning their technique "en pointe" & includes exercises & technique to develop foot, ankle, leg & core strength towards this goal.

BALLET III - This class is intended for dancers, ages 12-18, who were enrolled in Ballet III in 2021-2022. Intermediate to advanced level of instruction, which includes diverse technique & terminology & challenging barre work, combinations in the center & across the floor. Emphasis on epaulement, transitions between steps, flexibility & strength included in this level.

INT POINTE – This class is available paired with the Ballet III only, and dancers must have a minimum of 1-2 years of experience in Beg Pointe. Intermediate level of instruction of pointe work at the barre & center to build dancers' strength towards executing ballet technique in pointe shoes.

BALLET IV - This class is intended for dancers, ages 14-18, who were enrolled in Ballet III/IV or Ballet IV in 2021-2022. Advanced technique & terminology & high level of difficulty in barre work, combinations in the center & across the floor. Emphasis on strength & control, complexity of movement, flexibility, artistry & elevated level of ballet knowledge are explored in this level.

INT/ADV POINTE – This class is available paired with the Ballet IV only and dancers must have a minimum of 1-2 years of experience in Int/Adv Pointe and received approval for placement in this class. Advanced level of instruction of pointe work at the barre, center & across the floor, along with challenging technical variations to build dancers' overall ballet technique, strength, stamina & artistry.

ADULT BALLET - This class is intended for adults, ages 18+, and class content includes ballet technique & terminology for beginning to intermediate level adult students. Class content focuses on barre work, combinations in the center & across the floor. Emphasis will also be placed cardiovascular endurance, stretching & strengthening throughout the class.

AURORA DANCE ARTS TAP STYLE & LEVEL DESCRIPTIONS:

BEG TAP - This class is intended for dancers, ages 7-10, and class content includes an introduction of basic, beginner tap steps & rhythms including a warm up, center work & across the floor. Beg Ballet/Tap Combo class includes 30 minutes of this class content. Tap shoes required for participation.

TAP I/II - This class is intended for dancers, ages 9-15, who were enrolled in Tap I/II in 2021-2022. Class content includes an intermediate level of instruction, more in-depth study of various tap steps & terminology & more challenging rhythms and musicality in combinations in center & across the floor. Tap shoes required for participation.

TAP III/IV - This class is intended for dancers, ages 12-16, who were enrolled in Tap III or IV in 2021-2022. Class content includes advanced level of instruction. Focus is on high-difficulty tap technique requiring clarity of sounds, complicated foot actions & ankle strength. Students will also be asked to work towards picking up challenging tap dance combinations quickly & adding artistry to those combos within a short time period. Tap shoes required for participation.

ADULT BEG TAP - This class is intended for adults, ages 18+, and class content introduces beginning tap steps & rhythms including a warm up, center work, across the floor & a tap dance combination. Tap shoes required for participation.

ADULT INT/ADV TAP - This class is intended for adults, ages 18+, and class content includes intermediate/advanced level of instruction. Students focus on development of tap steps that include more challenging coordination & complex rhythms/musicality. Multiple sessions of Adult Beg Tap or prior tap experience are highly advised for this level. Tap shoes required for participation.

AURORA DANCE ARTS JAZZ STYLE & LEVEL DESCRIPTIONS:

BEG JAZZ - This class is intended for dancers, ages 7-10, and class content includes energetic & fun elements such as: body isolation, technique & stretching, jumping & turning across the floor & a center combination promoting stylized expressiveness.

JAZZ I/II - This class is intended for dancers, ages 9-16, who were enrolled in Jazz I/II in 2021-2022. Class content includes an intermediate level of instruction, more in-depth study of various jazz elements & terminology & more challenging technique in combinations in center & across the floor. Emphasis on stylized jazz choreography and musicality will be explored in this level.

JAZZ III/IV - This class is intended for dancers, ages 12-18, who were enrolled in Jazz III/IV in 2021-2022. Content includes an advanced level of study of highly challenging jazz technique in combinations in center & across the floor. Emphasis on conditioning, stylized jazz choreography and musicality will also be explored in this level, to further develop dancers' artistry & ability to pick up choreography quickly.

ADULT JAZZ - This class is intended for adults, ages 18+, and class content will include elements of jazz dance such as isolations & grounded technique in center, stretching & conditioning, dynamic jumping & turning techniques across the floor & a center combination. This class is high energy, keeps you active & is tons of fun! Class is taught at a baseline intermediate level, with modifications provided for both beginning or advanced dancers.

AURORA DANCE ARTS CONTEMPORARY STYLE & LEVEL DESCRIPTIONS:

CONTEMPORARY I/II - This class is intended for dancers, ages 9-14, who were enrolled in Contemporary I/II in 2021-2022. Intermediate level of instruction with more challenging center & across the floor technique such as turns, jumps, drags, leaps & floor work, drawing inspiration from ballet, jazz & modern dance. Students will explore expression of their emotions & moods.

CONTEMPORARY III/IV - This class is intended for dancers, ages 12-18, who were enrolled Contemporary III/IV in 2021-2022. This class is for advanced dancers and is a highly challenging level of instruction of a free, grounded style in which dancers use emotions for expression, explore fluidity of movement & draw inspiration from ballet, jazz & modern dance.

ADULT CONTEMPORARY - This class is intended for adults, ages 18+, and class content includes a more relaxed, grounded, free style of dance in which choreographers use emotions & moods to design their own steps. Contemporary draws its movement qualities from the techniques of ballet, jazz & modern dance & is an inspiring way to find self-expression & creativity through beautiful, lyrical movement. Class is taught at a baseline intermediate level, with modifications provided for both beginning or advanced dancers.

AURORA DANCE ARTS HIP HOP STYLE & LEVEL DESCRIPTIONS:

PRE HIP HOP - This class is intended for 4-6 year olds and is an introduction to the energetic style of hip hop, including: body isolations, funky steps & hip hop choreography. Class content includes musicality with dance rhythms, spatial awareness & motor skill development while having lots of fun!

BEG HIP HOP - This class is intended for dancers, ages 7-10, and class content includes an energizing warm-up and body isolations. Dancers also focus on other technical hip hop elements such as floor work, popping & locking, tutting, across the floor steps & movement & a dance combination of stylized choreography.

HIP HOP I - This class is intended for dancers, ages 10-16 who were in enrolled in Hip Hop I in 2021-2022. Intermediate level of instruction with more challenging center & across the floor technique such as turns, jumps, tutting, popping & locking, breaking & floor work. Students will also explore stronger artistic hip hop expression & challenging choreography.

AURORA DANCE ARTS SPECIALTY STYLE & LEVEL DESCRIPTIONS:

DANCE CONDITIONING - This class is intended for dancers, ages 10+, and is a mixed level class in which previous dance and/or experience is highly advised. Class content includes cardiovascular training, plyometric & body weight-based strength conditioning, and extended flexibility/mobility exercises designed to enhance dancers' training in other styles of dance. This class can be taken for fitness purposes and/or as a supplement to dancers' other dance training.

BEG POMS - This class is intended for dancers, ages 7-12. Show your spirit! This class is an introduction to poms dance & cheerleading skills such as basic cheers, turns, jumps, arm patterns and fun tricks.
