SOCIAL HOUSING

Housing Services, under the Social Services Department of the United Counties of Prescott and Russell, own and manage 311 family, senior, and single adult units within their service area. These units are a combination of semi-detached houses and apartments ranging from one to five bedrooms. **Housing Services** also manage approximately 96 units with private sector landlords, and all rents are subsidized based on family income. Furthermore, **Housing Services'** responsibilities include the administration of 12 non-profit housing corporations comprised of 500 units as well as the management of a centralized waiting list for Rent-Geared-to-Income (RGI) applicants. **Housing Services'** aim is to provide affordable and suitable housing to persons eligible for RGI units. **If you wish to apply for subsidized housing**, you may communicate with our Tenant Placement Clerk at 1-800-667-9825 extension 6504 or go to any housing provider listed in this brochure to fill out an application.
