14 (97758)	No	No	No
15 (98524)		No	No
17 (104354)	No	No	No

\* Demographer produced plans are indicated by a color. Publicly submitted plans are indicated by a number. For public plans submitted through the online tool the unique DistrictR ID is also included.

\* Plans identified with a "No" indicate that the submitted map had deviations greater than 10%, unassigned blocks, or non-contiguous districts and thus would require amendment before adoption.
