

**SUMMARY OF BENEFITS HDHP 1400**

A qualified High Deductible Health Plan (HDHP) with a Health Savings Account provides comprehensive coverage for high cost medical events and a tax-advantaged way to help build savings for future medical expenses. The Plan gives you greater control over how health care benefits are used. A HDHP satisfies certain statutory requirements with respect to minimum deductibles and out-of-pocket expenses for both single and family coverage. These minimum deductibles and limits for out-of-pocket expenses' limit are set forth by the U.S. Department of Treasury and will be indexed for inflation in the future.
