legal consumption
of alcohol in our
community**

*“You can’t
afford not

“Responsible Beverage Service training is vital to curbing underage drinking. Alcohol is the most commonly used and abused drug among youth in the United States. Even though purchasing alcohol by persons under the age of 21 is illegal, individuals ages 12 to 20 drink 11% of the alcohol consumed in the United States. Rohnert Park’s RBS training aims to provide alcohol retailers and servers the necessary skills to responsibly sell and serve alcoholic beverages and mitigate alcohol related harm to the youth in our community.”
