**Executive Summary**

The Emergency Management program prepares local government and the general public for natural and human-caused disasters by assessing risks, identifying hazards, conducting public education and outreach, sending alerts and warnings, developing and testing response plans, and implementing mitigation projects.

**Service Descriptions**

	Revenue	Expense Total	General Fund	FTE
<b>Proposed Budget Total</b>	\$466,894	\$480,688	\$13,794	2.50

The Lane County Emergency Management program's purpose is to increase the County's resiliency and to increase its ability to respond and recover from the hazards that threaten it. This is done through mitigation, preparedness, response, and recovery. This level of service provides for a Program Manager to oversee implementation of Emergency Management functions, programs and services aimed at ensuring countywide capability to cope with potential and actual incidents that disrupt Lane County communities.

**State/Federal Mandate**

ORS 401 states that "(1) Each county of this state shall, and each city may, establish an emergency management agency which shall be directly responsible to the executive officer or governing body of the county or city." The responsibility for emergency management has been assigned to the Office of Emergency Management, of Lane County.

**Leverage Details**
