Overview

The U.S. Department of the Treasury will allocate about $90 million to Oregon under the American Rescue Plan Act’s Homeowner Assistance Fund. Oregon Housing and Community Services (OHCS) will assist homeowners at risk of losing their homes by preventing foreclosures and displacements and curing delinquencies and defaults. Eligible homeowners are those who meet program income limit requirements and experienced a financial hardship after January 21, 2020, due to the coronavirus pandemic. Other program requirements also apply.

Benefits and Eligibility

Homeowners who are eligible may apply for the following programs:

**Past-Due Payment Relief**

The Past-Due Payment Relief Program provides up to $50,000 to eliminate or reduce payments on past-due eligible housing costs, including:
- forbearance plan
- forward mortgages
- reverse mortgages
- loans secured by manufactured homes
- land sale contracts
- property taxes
- homeowners’ insurance
- homeowners’ association (HOA) dues

Homeowners must be at or below 150% Area Median Income or 100% of the median income for the United States, whichever is greater. Oregon Housing and Community Services will make payments directly to the servicer, county, HOA or other housing entity.

**Ongoing Payment Relief**

The Ongoing Payment Relief Program has two tracks. Homeowners may participate in only one track and must be at or below 100% Area Median Income for either one.

- **Hardship Track.** Eligible homeowners who are experiencing ongoing financial hardship may receive up to 12 months of payment help, up to $15,000 per household, for eligible housing costs.
- **Stability Track.** Eligible homeowners may receive up to three months of payment help, up to $3,750 per household, to increase long-term housing stability. Homeowners must have housing expenses that total 43% or more of their household income.

Please Note: Homeowners who are eligible for both programs may not receive more than $60,000 in total assistance.
