Five-year renewal of local option tax to maintain general operations.

Question 20 words which plainly phrases the chief purpose of the measure.

Shall the District renew a tax of \$0.47 per \$1,000.00 of assessed value for operations for five years beginning 2019-2020? This measure renews current local option taxes.

Summary 175 words which concisely and impartially summarizes the measure and its major effect.

River Road Park & Recreation District would use the tax revenue from this measure to maintain current programming and staff levels. In 2008, the City of Eugene eliminated all reimbursement revenues of annexed properties. In addition, collected tax revenue has also declined while utilities and other expenses have continued to increase. Without additional tax revenue, the District would be forced to reduce and/or eliminate program offerings, reduce operating hours, reduce maintenance of the park, and eliminate both part-time and full-time staff.

The local option tax would be \$0.47 per \$1,000 of assessed value per year. Based on an assessed value of \$150,000, a homeowner would pay approximately \$5.58 per month for the first year of the levy and approximately \$6.63 per month for the final year of the levy. The proposed rate would raise approximately \$268,047 in 2019-2020, \$276,088 in 2020-2021, \$284,371 in 2021-2022, \$292,902 in 2022-2023, and \$301,689 in 2023-2024 for a total of \$1,423,097 over five years.

The estimated tax cost for this measure is an ESTIMATE ONLY based on the best information available from the county assessor at the time of estimate and may reflect the impact of early payment discounts, compression and the collection rate.
