Summary 175 words which concisely and impartially summarizes the measure and its major effect.

The City of Dunes City seeks to impose a local option levy to raise \$1,215.70 per year for five years. The total levied over five years would total \$6,078.50. The money raised would be used for general operations. The taxes will be used for operating purposes and to qualify the City to receive State shared tax revenues.

For example, a property with an assessed value of \$300,000 would be assessed a tax of \$1.50 by this proposal.
