Occupation (present employment) If no relevant experience, None or NA must be entered.

President/ Publisher/ Producer. Concrete Decor Magazine and the Concrete Decor Show. Serving the construction industry for 20 years.

Occupational Background (previous employment) If no relevant experience, None or NA must be entered.

Currently serving as Director for Emerald Peoples Utility District (Subdivision 2)
 President/ Publisher of Concrete Decor Magazine and the Concrete Decor Show - 19 years
 Owner of PaintPRO and Pacific NW Building and Design for 12 years (Licensed contractor in State of California and Oregon 1988 to 1996).

Earning my way through college I learned a trade along the ability to work with my hands. I became a licensed contractor in the State of California and subsequently the State of Oregon where I later settled with my wife and three children. In Oregon I have been a business owner and employer in the City of Eugene for 18 years. Serving a multitude of construction trades have taught me that energy conservation is achievable in numerous ways and for buildings old and new. Like other professions, trade education is an ongoing process that results in improved workmanship and the ability to deliver solutions that result in comfort, savings and a healthier environment. Advances in technology, when properly understood can improve our lives and safety.
