Re: Petition for Public Records Order

Mr. Shannon,

The DA's Office is in receipt of your Petition for Public Records Order, dated June 23, 2021. Accordingly, I have reviewed your Public Records Petition, attached photo exhibits, CMO Email Chain, Records Request Partial Denial from the City of Springfield as well as exempt communications.

Based upon my review of the above, to include all search terms utilized by the City of Springfield in meeting your request, the additional documented communications are exempt from disclosure pursuant to ORS 192.355(9)(a) and ORS 40.225 because they are attorney-client privileged material and were made for the purpose of facilitating legal services for the City of Springfield and not intended to be disclosed to third parties.

Therefore, it is the order of the District Attorney's Office that this appeal is denied.

Sincerely,

PATRICIA W. PERLOW, District Attorney
